

What I would have liked to have known

Warm up Questions:

- What is the best surprise about campus/uni life that you weren't expecting coming here?
- What is the best action your family/friends did in preparation for your uni life?
- What is one of the best memories you have from freshmen year? What about this year?

Expanded Discussion:

- What could have your _____ done to support the transition better?
 - Family
 - Friends
 - Church
 - Professors
 - University staff (admissions, advisors, etc.)
 - Etc.
- What would you tell rising freshmen to prepare for?
- How did MuKappa support you, if at all?

Wrap up Questions:

- Who can you think of to thank (again) about their supporting you in the transition?
- How can MuKappa support freshmen?

*Note from MuKappa International: we would appreciate your notes / reflections from this discussion in order for us to know more holistically about how to support rising TCK freshmen across campuses.
