## Relationships

- Did the relationship worksheets bring up any patterns that you hadn't noticed before?
- In college, it can be easy to decide to only befriend other TCKs because those who haven't lived overseas can't understand you. What are the pros and cons of this thinking?
- Because TCKs often go deep in relationships and then abruptly cut them off and move onto others, how do you plan to avoid this in your friendships and/or romantic relationships?
- What surprised you during the video about TCK's and relationships? Did you feel challenged by anything?
